## Subpart I—Miscellaneous Provisions

## § 17.181 Exportation of medicinal preparations and flavoring extracts.

Medicinal preparations and flavoring extracts, approved for drawback under the provisions of this part, may be exported subject to 19 U.S.C. 1313(d), which authorizes export drawback equal to the entire amount of internal revenue tax found to have been paid on

the domestic alcohol used in the manufacture of such products. (Note: Export drawback is not allowed for imported alcohol under this provision of customs law.) Claims for such export drawback shall be filed in accordance with the applicable regulations of the U.S. Customs Service. Such claims may cover either the full rate of tax which has been paid on the alcohol, if no nonbeverage drawback has been claimed thereon, or else the remainder of the tax if nonbeverage drawback under 26 U.S.C. 5114 has been or will be claimed.

EFFECTIVE DATE NOTE: By T.D. TTB-79, 74 FR 37402, July 28, 2009, § 17.181 was amended in the last sentence by removing the reference “26 U.S.C. 5134” and adding, in its place, the reference “26 U.S.C. 5114”, effective July 28, 2009 through July 30, 2012.

#### § 17.182 Drawback claims by druggists.

Drawback of tax under 26 U.S.C. 5114 is allowable on taxpaid distilled spirits used by druggists in compounding prescriptions. The prescriptions so compounded shall be shown in the supporting data by listing the first and last serial numbers thereof. The amount of taxpaid spirits used in each prescription need not be shown, but such prescriptions shall be made available for examination by appropriate TTB officers. If refills have been made of prescriptions received in a previous claim period, their serial numbers shall be recorded separately. Druggists claiming drawback as authorized by this section are subject to all the applicable requirements of this part, except those requiring the filing of quantitative formulas.

EFFECTIVE DATE NOTE: By T.D. TTB-79, 74 FR 37402, July 28, 2009, § 17.182 was amended by revising the first sentence, effective July 28, 2009 through July 30, 2012.

#### § 17.183 Disposition of recovered alcohol and material from which alcohol can be recovered.

(a) *Recovered alcohol.* Manufacturers of nonbeverage products shall not sell or transfer recovered spirits to any other premises without TTB authorization under § 17.3. If recovered spirits are stored pending reuse, storage facilities shall be adequate to protect the revenue. If recovered spirits are destroyed, the record required by § 17.168(c) must

be kept. Spirits recovered from intermediate products may be destroyed without notice to TTB. Spirits recovered from nonbeverage products may be destroyed pursuant to a notice filed with the appropriate TTB officer at least 12 days prior to the date of destruction. The notice shall state the reason for the destruction, the intended date of destruction, and the approximate quantity involved. The appropriate TTB officer may impose specific conditions, including requiring that the destruction be witnessed by an appropriate TTB. Unless the manufacturer is otherwise advised by the appropriate TTB officer before the date specified in the notice, the destruction may proceed as planned.

(b) *By-product material (general).* By-product material from which alcohol can be recovered shall not be sold or transferred unless the alcohol has been removed or an approved substance has been added to prevent recovery of residual alcohol. Material from which alcohol can be recovered may also be destroyed on the manufacturer's premises by a suitable method. Except as provided in paragraph (c) of this section, prior written approval shall be obtained from the appropriate TTB officer as to the adequacy, under this section, of any substance proposed to be added to prevent recovery of alcohol, or of any proposed method of destruction.

(c) *Spent vanilla beans.* Specific approval from the appropriate TTB officer is not required when spent vanilla beans containing residual alcohol are destroyed on the manufacturer's premises by burning, or when they are removed from those premises after treatment with sufficient kerosene, mineral spirits, rubber hydrocarbon solvent, or gasoline to prevent recovery of residual alcohol.

#### § 17.184 Distilled spirits container marks.

All marks required by Part 19 of this chapter shall remain on containers of taxpaid distilled spirits until the contents are emptied. Whenever such a container is emptied, such marks shall be completely obliterated.
